

## OUR PROCESS

### PREPARATION

Employee receives electronic packet of administrative and medical forms:

- Computer-based training
- Dental exam and Audiogram (IF REQUIRED)
- Any **VIGILINT** ordered lab work

### ON-SITE

Employee completes **1-2 day** weapons qualification, age-based physical exam, and immunizations.

### COMPLETION

Employee and employer receive individual readiness evaluation.

## DEPLOYMENT ASSESSMENT PROGRAM (DAP)

The **VIGILINT** Deployment Assessment Program (DAP) is a rapid comprehensive pre-deployment program that ensures employees meet all medical, training, and educational requirements before deploying for government contracts.
